Reference T:14 dated 10-4-39.

Sir,
~~Dear Sir~~,

~~Reference~~ In continuation of the above letter, I beg to bring to your kind notice that the Union has been deprived, all of a sudden, the privilege it had been enjoying, from a long number of years, of a free supply, formerly of the complete Mysore Gazette (English & Kannada), and, latterly, of all the parts of the English Gazette except parts III (2) and VI, and the Kannada Gazette. Relying on the free supply, as in the previous years, of the above parts of the English Gazette, advance subscription for one year for parts III (2) and VI were paid on 3-9-38 and 3-12-38. But, the sudden stoppage of the free supply of the remaining parts, taking away the privilege enjoyed by the Union from the period of its origin, has put the Union to a great disadvantage, and has made the subscription already paid for the other parts, and current to the end of the Calendar

The Chief Secretary,
to the Government of Mysore,
Bangalore.

Sir,

I regret to draw your kind attention to the fact that the Mysore Gazette, which was being supplied freely to the above institution, ever since it began in 1876, has been suddenly stopped from the issue of Thursday last, and information in that respect has been received today from the Compiler of the Mysore Gazette on the ground that no provision for a free supply of the Gazette to this institution has been made in the revised list.

In this connection I beg to invite your kind attention to the fact that when a similar stoppage of free supply was made according to a government order No. 558 dated 19th Jan 1926 a humble representation to government by the then Hon. Secretary of the institution, Government was pleased to cancel that order and to restore the benefit of free supply as per their order No. G7396 Printing 14-25-29 dated 16th March 1926.

Subsequent to that order, there has been a little modification to the extent of the institution being obliged to pay for Parts III(2) and Part VI, the other parts of the English Gazette and the Kannada Gazette continuing to be supplied free upto last Thursday. Relying on the free supply as stated above, I have paid in

advance one year's subscription to Part III(2) on 3-9-38 and to Part VI on 31-12-38 as on the previous years.

As the sudden stoppage without any reason of the parts of the Gazette (English and Kannada) that were being supplied free until now puts the institution to the disadvantageous position of having paid for parts which are not in so much general demand as the other parts, and takes away from the institution the benefit and the privilege that it had been deriving since its origin, I respectfully pray that the Government may be pleased to pass orders immediately directing the Compiler of the Gazette to continue the free supply of the parts as hitherto, so that there may be no break in the continuity of the issues of the Gazette sent to the Union.

I beg to remain,

SIR,

Adverting to Government Order No.G.720-5/P.&S.9-33-28, dated the 26th July 1934 sanctioning the free supply of the Mysore Gazette, among others, to the English-Kannada Dictionary Office (temporarily so long as the office continues), I am directed to state that the Chief Editor and Chairman of the English-Kannada Dictionary Editorial Committee, Bangalore, reports that the supply of the Gazette to the Dictionary Office has been discontinued by the Compiler for the reason that no provision has been made for the supply of the Gazette to the Dictionary Office 'in the revised list of institutions entitled to the free gift of the Gazette". This office has no intimation regarding the revision mentioned. I am to state however that the continuance of the Dictionary Office has been sanctioned till the end of 1942.

I am therefore to request sanction of Government for the continuance of the free supply of the Gazette to the Office of the Chief Editor and Chairman of the English-Kannada Dictionary Editorial Committee, Bangalore, so long as the office continues.

I have the honour to be,
Sir,
Your most obedient servant,

Registrar.

Sir,

I regret to inform you that there has not been any response to the above letters so inviting your kind attention to the great inconvenience that has been caused, both to the members and to the numerous visitors to the Free Reading Room section of the Union, by the sudden stoppage of those portions of the Mysore Gazette, which were being supplied free from several years past. This privilege of free supply of the Gazette extends almost to the time of the origin of the Union, and has continued all these years. This matter was considered by the managing Committee on 3/5/39, and the Committee passed the resolution " That the Chief Secretary to the Government of Mysore may be requested to order the continuance of the free supply of the Gazette as before, since the Union

is not in a position to bear the extra charge."

I pray that you may be pleased to order that the free Supply of the Gazette to the Munsif may be continued in the Past

I beg to remain Sir
Your most obedient Servant
